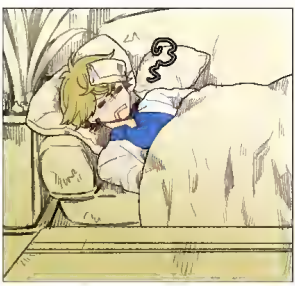
Chapter 5



I... I'm so sorry, Owner...

It's alright. I already knew about your situation a long time ago...
If you're ok with a garage, you can live there until you move into a dormitory.

I'll just be staying for about a week. Thank you so much.

But...

You knocked out a man. I didn't expect that from you...

Ah...

He...

He tried to grab me from behind...

What? Did he touch you somewhere?

Oh...

No...

????

Then what?

???

Mmm. I didn't see what happened myself, so I don't know for sure...

But he seems like a foreigner...

It didn't seem like he was trying to do anything bad to you...

It's not that I don't trust you, but this has happened inside the store too...

I...

I'm so sorry about that.

Yeah...

But thank goodness nothing happened to you

Let's wait until that person wakes up...

Will you help me around the store while you're waiting?

clang

Yes...

Did I...

make a mistake again...?

When another person...

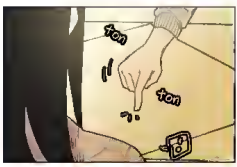
I'm sorry!

gets near me.

or
touches me,

I suddenly tense up.

and make mistakes due
to my nervousness...



Your face is pale

I didn't know what happened between you two, so I just brought you guys into the store

I didn't know you were that scared. I'm sorry

Ah!

It's alright!

I should be the one apologizing!

I worried about whether or not I made a...

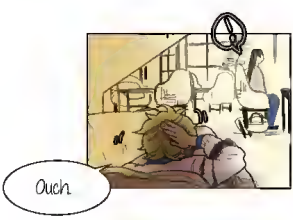
mistake again

Thank you for helping me, just like last time...

I met you just after the interview. Fancy meeting you again here!

We'll be working together from now on, so I'll be counting on you

But why didn't you come yesterday?



!!!
Holds back

I think there's been a misunderstanding.
